## GENERAL INFORMATION

K-Ferm Organic™ 0-0-12 is a pH neutral, available liquid source of sub-nanoscale organic acids, cell free microbial exudates and acid complexed potassium resulting from a fermentation of organic biomass that can be applied to the soil or as foliar spray.

K-Ferm Organic™ 0-0-12 is meant to be used as part of your conventional liquid fertilization program.

## STORAGE AND HANDLING

Store in the original container, and do not mix with other fertilizer or pesticide products while storing the product as this could affect shelf stability. During winter months, be sure and store the container in an area protected from freezing conditions.

## DIRECTIONS FOR USE

### Application

K-Ferm Organic™ 0-0-12 is fine-filtered below 105 microns and can be applied through any liquid application method including: banding equipment, water run through irrigation/fertigation systems, water run through drip lines, and/or sprayed directly on to soils or plants in conjunction with other fertilizing materials.

For agronomic application rates suitable for your geographical area or the maximum allowable non-nutrient application rates per acre, consult a trained soil specialist or write to BioXRG, Inc. at 1839 Shiloh Ave. Bryan, Texas 77803.

| CROP | RATE Oz Per Acre | USE INSTRUCTIONS |
|---|---|---|
| Trees | 16-256 | Soil Applied, Foliar Applied |
| Vines | 16-256 | Soil Applied, Foliar Applied |
| Vegetables | 16-256 | Soil Applied, Foliar Applied |

Use 16-32 oz. of K-Ferm Organic™ 0-0-12 in low water volume foliar applications (10-25) GPA.

*K-Ferm Organic™ 0-0-12 is compatible with most Fungicides and Herbicides when used in accordance with those manufacturer's label instructions. If there is a question of compatibility, it is always advised to jar test for compatibility prior to use on crops.*

**Not DOT Regulated**

**WARNING**

**For agricultural use**

May be harmful if swallowed. May cause skin irritation. May cause eye irritation.

**IF SWALLOWED:** Get emergency medical help.

**IF ON SKIN:** Wash with plenty of water. If skin irritation occurs: Get medical help. Take off contaminated clothing and wash it before reuse.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing. If eye irritation persists: Get medical help.
